

BOJANGLE BEADS

MARCH
& APRIL
EDITION

Workshops

BOJANGLE BEADS prides itself on having a fun friendly and relaxed atmosphere during all workshops. We have tried to create a programme to cater for beginners as well as the more knowledgeable beader.

Please read through the terms and conditions below and if you are happy to agree to them, please give us a call or drop into the shop to book your place. Places are limited, so make sure you get in quick!

ALL WORKSHOPS AND DROP IN SESSIONS MUST BE BOOKED

TERMS AND CONDITIONS

1. All of our workshops include a voucher towards the cost of your beads, on some occasions this voucher will cover the beads you will need to make your items although on others if you pick expensive options in some items then the voucher may not quite cover it, we have done this so that you get to choose exactly what you want to use to make your design. Please note that should you not spend the entire voucher value on the day, it cannot be carried over for use at a later date, it must be used upon completion of your class. Please also note that no change can be given from class vouchers.
2. Our workshop area is at the back of our shop and therefore we do not have lots of space to accommodate beading trolleys, however if you want to bring your beading bag that's absolutely fine.
3. For single workshop bookings full payment is due on booking, however if you book four workshops or more 50% is payable on booking and the balance can be paid 14 days before the workshop takes place.
4. Cancellations: workshop fees are only refundable if you give 14 days notice before the class date.
5. If the take-up for any particular workshop is 2 people or less, we may cancel the workshop and refund any money back to you. We reserve the right to cancel any workshop and will endeavour to give as much notice as possible.

Complimentary tea coffee and biscuits are available throughout the duration of your workshop.

If you are happy with the above terms and conditions you can book your place via the website, by calling into the shop or calling and paying over the phone with a credit or debit card.

A special note for this Workshop Programme: As many of you will be aware, Katy & Steve are expecting their first baby on 30th April. Babies being what they are, we may obviously need to postpone a workshop or two if he decides to make an earlier appearance, but rest assured we will give anyone booked on a workshop as much notice as possible, and of course the option of a full refund.

Thank you in advance for your understanding and patience.
